...hands talked of a ... wheat, but ... machines for cutting it. The old time rule was to give a bushel of wheat for a days cutting, or the price of a bushel of wheat.

Mr. Nelson is again agent of the C. & O. Ry. at Wingina.

Mr. Charlie Wood and Mr. John Johnson have built a beautiful new store house at Wingina, indeed, I think it is the handsomest house of business between Lynchburg and Richmond and is said to have cost $18000.

Mr. Hugh Garnett is home from William and Mary where he attended school last year.

Prof. Henry C. Groseclose has been motoring around attending to the boys clubs before leaving for V. P. I. for the summer session.

It is nothing short of a shame that the short piece of road near Curdsville is not completed, a two-horse wagon would easily bring four or five thousand pounds from Farmville to this place except for a distance of a few hundred yards at one point in the road and at this place it is difficult for loaded wagons and trucks to get along at all.

I sold a veal calf last week that tipped the beam at 309 pounds; who can beat that?

A colored man offered to work a month for me for $20.

Mr. E. B. Glover has come in for a visit after many months of success in business in W. Va.

Mr. Lipscomb who bought the old Shaws' mill site has gone to work at Slate River mill for Mr. J. B. Lesueur.

I am told that some of the counties in Virginia are in debt for as much as $40,000 on account of schools.

The dealers in ties and pulp wood at Dillwyn have cut out the paying in money, and pay in trade and poplar pulp wood is only selling for $7 a cord as against a price of $13 dollars last season.

Mr. Claude R. Wood had a very narrow escape from being killed in Appomattox when a train struck his car and completely demolished it his shoes were torn from his feet and his clothes torn from his body, but strange and happy to say he was not very badly hurt.

Mr. A. C. Garrett has a nice new car.

Mrs. T. B. Hall has been suffering with rheumatism of late and we are mighty glad to know she is better now.

Over the splendid sand clay from here to farmville will go but a small crop of tobacco as compared to former years. There are but few pigs and young colts in the country this time and everyone seems going along in the ever-living present with out much thought for the future or of those who are to come after them.

Mrs. C. D. Eubank has been staying with a sick relative in N. C., who died lately and we look for her here soon. She was before her marriage Miss Hallie Haskins.

Prof. Holsinger who was principal of the High school here at one time and also at Arvonia, made an address at the closing of the High school at Arvonia this time.

Miss Ester Stinson and Mr. Willie Shepherd were married on Tuesday of last week and we welcome them to our community.

On Saturday Miss Gunter and Mr. Jamieson were married here.

The Howardsville team won over the Garrett Mill team on Saturday evening.

Wheat harvest has begun and many crops will be harvested last week.

Forest View

The Forest View correspondent wishes to apologize to the Editor and readers of Times-Virginian for the mistake which was written a few weeks ago, in regard to the Foster death. It was reported to the writer by a reliable person and the mistake occurred by getting the initials confused. This will cause us to be more careful in the future, for we are trying to build up instead of tear down the good old paper which is just like a visitor in the home. (The error was corrected in our last issue)

There were several girls graduated at Farmville this time which were students at A. A. H. S. a few years ago.

We are glad to see this bunch of girls making a career of their own

Wheat harvest will soon be here but sorry to say the crop is not so good in this vicinity as usual. The other crops and gardens are looking very well.

A number of visitors were in ... spending them ... dan and Mr. and ... Harris, all of Charlotte visiting their parents.

Mr. and Mrs. J. A. Martin spent Sunday at the home of Mr. and Mrs. A. S. Wooldrige.

Mrs. J B. Marshall has returned from a visit to her mother, Mrs. Jones, in Penn.

Mr. and Mrs. W. T. Nash spent Sunday with the latters parents, Mr. and Mrs T. H. Inge.

Mrs. Floyd Puckett has returned from a visit to her parents, Mr. and Mrs. Tommie Farrar, of Evergreen.

Mike News

Mrs. Katie Harvey spent several days in the home of Mr. and Mrs. John Davis, at Spring Mills last week.

Mrs. Clem Williamson, who has been confined to her room for some time is better.

Mrs. Sallie Cawthorn left last Tuesday for Washington, D. C., to visit Mrs. Moody Martin.

Mr. and Mrs. Samuel Williamson motored to Pamplin last Saturday and spent a while with his uncle, Mr. E. C. Marshall, returning home by Evergreen they called on his cousin, Mrs. Andrew Harvey.

Miss Edna Tibbs spent last Sunday with Misses Mamie and Odell Joy.

Sergeant James Robert Beasley

The remains of Sergeant James Robert Beasley, who was killed in France during the World War, were interred on Sunday afternoon in the family cemetery at Hollywood. The United States Army was represented by Staff Sergeant Hubert C. Hoover, Headquarters Company, 5th Engineers, Camp Mead, Md., who accompanied the remains.

The Appomattox Post of The American Legion was represented by Miss Eula May Burke who presented a very beautiful floral tribute.

The funeral and burial services were conducted by Rev. Thomas Jefferson Ragland at the Hollywood church and cemetery respectively where a large gathering of relatives and friends assembled to witness the burial.

The pall-bearers were the following former service men: Joel W. Flood, Herbert C. Pulliam, Sterling Franklin, W. Thomas Covington, Joel Walker Covington, and Charlie Bagby.

The following girls acted as flower-bearers: Misses Lougenia and Gladys Patteson, Mary Covington, Mabel Conner, Wave Turnes, Rachel and Fannie Ferguson.

Sergeant James Robert Beasley was a member of Co. F. 111th Infantry, 28th Division. He was one of three brothers who served in France during the World War. One of the brothers, Sergeant Jerry Simpson Beasley, was killed, and the other, Private Joseph Dewitt Beasley, was seriously wounded.

The mother, Mrs. Isabella Turnes, and the following brothers: Titus Walker, Grover Palti, and Joseph Dewitt Beasley survive to mourn their loss in the World War.

Card of Thanks

We desire to express very deeply our most profound appreciation for what our friends did for us in their expressions of sympathy and aid rendered in the return and burial of the remains of Sergeant James Robert Beasley. The courtesies and helpfulness were truly elevating and consoling and never to be forgotten.

MOTHER AND BROTHERS

Mrs. S. L. Ferguson is on the sick list.

Mr. Humphries Woolridge left yesterday for John Hopkins hospital for treatment.

Miss Ella Porter, of Lynchburg, is a guest at the home of L. E. Smith

Appomattox High School Closes Under Most Favorable Auspices

While not the largest, yet a very large class of graduates received their diplomas last week at our high school. The number in the class was 23 and with a few minor points the following received the diplomas fully signed: Grace Bagby, Campbell county; Nola Burkey, Southside; Mary Booker, Prince-Edward county; Jessie Carr, Halifax; Joe Clark, Halifax; Rachel Ferguson, Southside; Sammie Ferguson, Old Court House; Mary Fuqua, Prince Edward; Frank LaPrade, Halifax; Gaines Oglesby, Bedford county; Stella Payne, Clover Hill; Minnie Lee Robertson, Southside; Verta Smith Southside; Regginald Stanley, President, Southside; Frances Street, Stonewall; Josephine Fowler, Charlotte; Frances Wagner, Cloverhill, Callie Babbett, Southside; John Curtis Caldwell, Southside, Sue Odor, Southside; Eva Woolridge, Southside; Annie Purdum, Southside.

Dr. C. N. Newman delivered a very stirring address on a well known topic as "Happy Thoughts" and it was greatly enjoyed. The medalist were Miss Nola Mae Burkey, Burke Scholarship medal; U. D C. medal, Elmer Smith; Temperance medal, Annie Snell; Agricultural Honor, Berkeley Andrews; Improvement Honor, Hampton Custer.

On Wednesday night Miss Kate Franklin's music pupils gave a very interesting program that was greatly appreciated. On Tuesday night the Literary Society gave its annual celebration which was a great success.

The year has been one of great success notwithstanding the fact that there was a shortage of teachers. There were present during the session 427 pupils and same were taught for $11 50 per pupil in the grades; while it cost $18 50 in the high school department which figures are about one half of the cost of instruction throughout the state. This does not include the cost of wagons, nor the Agricultural and Home economic courses which are paid by the state. One room in the school had as many as 84 pupils on the roll while another had as many as 83 and in each room there were ample pupils for two teachers. This condition ought to be and doubtless will be remedied before another session. The School Board is now planing to make room for dividing these rooms. It is need'ess to say that no teacher however efficient can do justice to such a number of pupils in one room.

Plans for a bigger and better school for another session are now under way and while the reputation of our school is known throughout this section it cannot maintain its standard of excellence until sufficient room and ample teaching force be provided.

A portion of the faculty has already been retained while some of the teachers do not desire to return. Twice as many teachers and double the room would not be too much for our growing school

"THE WORKINGMAN'S HOTELS"

The Salvation Army makes provision for the poor workingman of meagre wage who could not afford the luxuries of a clean bed in a respectable place for the five cents which these hotels charge.

There are 114 of these workingmen's hotels throughout the world, of which 60 are in the United States.

From 5c. to 25c. a man may secure a room with individual electric light, clean bed, with the privilege for a dime per night with a bed and locker in a large, airy dormitory.

Coffee and rolls are also furnished in some of the hotels.

While the men are expected to pay their way, orders and requests from other Salvation Army departments and various other established agencies of the cities are honored. Last year 518,142 beds were supplied free.

In these hotels they have regular band concerts and weekly religious services are conducted.

One of these, erected a little over three years ago in Chicago is a six-story structure with 612 rooms. It is steam heated, lighted by electricity and is thoroughly modern and sanitary in all of its equipment. There is a large reading room on the ground floor This one is termed the workingman's palace—and the balance of these institutions are palaces of cleanliness and comfort to the men who make use of them. It is estimated that 1,496,837 beds have been supplied and 371,824 meals provided in these institutions.

Miss Willie Booth is visiting Mr. and Mrs. J. A. Sears.

Miss Roselle Hundley and brother Clarence, are visiting their home here.

Nine Points of the Law.

It has been said that success in litigation requires a good deal of patience, a good deal of money, a good cause, a good lawyer, a good counsel, good witnesses, a good jury, a good judge, and, last but not least, good luck. But the saying is really a part of the proverb which says that "possession is nine points of the law," and that anybody is welcome to the tenth if they can get anything out of it.

$100 Reward, $100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Medicine is taken internally and acts thru the Blood on the Mucous Surfaces of the System thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative power of Hall's Catarrh Medicine that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
